Flight Attendant Drug Use Screen

Flight Attendant Drug and Alcohol Program

Routinely evaluate your drug use as you would any other health issues. Should you answer yes to two or more of the questions, it means that your use may have moved into risky use. Please follow up with your Flight Attendant peer with the **Flight Attendant Drug and Alcohol Program (FADAP)**. Your conversations are confidential.

In the past 12 months:

- 1. I have not shown up for a trip because of my drug or medication one or more times.
- 2. I have used a flying partner's medication one or times.
- 3. I have shared my prescription medication with a flying partner one or more times.
- 4. I have used a prescription pain medication while performing my flight duties one or more times.
- 5. I have bid my flying schedule to avoid a drug test one or more times.
- 6. I have bid my flying too have access to a drug or medication one or more times.
